MANCHESTER

JR. SR. HIGH SCHOOL

ANCHOR

1993

WALKWAY OF 1971

Your leadership, your confidence, your competitive spirit have made you one of the highest achievers in our school. You have been a role model for our students and our staff. You can be a role model for one of our classes within a group of about fifty students.

Athletically you have demonstrated to the five grades behind you what it takes to be a champion. You have played a key role in the development of our soccer program which has now proven it can be a team sport. You have shown underclassmen to be part of our teams and see how skill and attitude can come together. Your career is a legacy that will serve us well for years to come.

Your leaders gave us a winter formal, a more active student council, and a number of rule changes. You have left your mark on every activity I can think of.

Your class presents a dilemma for any awards committee. There are simply too many stars clustered together in one place in the universe. Making distinctions becomes tough work especially as individuals continue to find their place to shine. Some are just beginning to make their light visible. My prediction is that around your 10th reunion you will have significantly illuminated a more sizeable amount of the universe as you spread yourself across the country and the world. I wish you a glowing reunion.

Because of the problem solving nature of my job I often get to know students only when there are problems. I find that it is much different with your class. As I go through the class list, I find that I can recall some positive incident, act of leadership, or memorable event that I associate with every member of the class. I take this as an indication of the frequency and intensity of the positive contributions you all have made to our school. That has never happened before and I shall make it the test for all other classes.

On behalf of all the staff let me thank you for all you have done for our school.

Sincerely,

William L. Hoge

Dedicated To Mr. Joseph Sokol

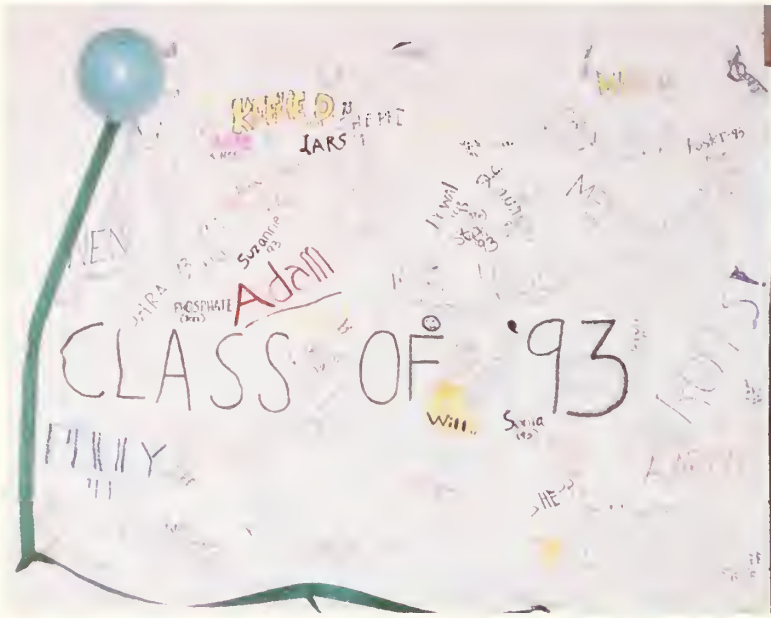

We dedicate the 1993 Anchor to Mr. Joseph Sokol, Band Director, and our class advisor. Mr. Sokol began teaching at the Memorial School when we were in fourth grade and just starting in the music program. He followed us over the bridge to the High School and has been with us ever since. As our class advisor, he has been at the helm of all our fundraising projects, such as: selling pies, candy bars, the magazine drive, and about two car washes per year. He is always looking for ways to make money to support our class. As many of us say, he would sell his blood for our class!

We thank Mr. Sokol for all the hard work he has put in to make our high school days, especially our senior year, so much better.

Thanks Joel

Bill Clinton wins!

Election 1992

George Bush Vs. Bill Clinton Vs. Ross Perot

The Presidential Election of 1992 will be remembered as one of the most unusual elections in our nation's history. There were three candidates for President: Republican George Bush, Democrat Bill Clinton, and Independent Ross Perot. Ross Perot entered the race to give the people a choice beyond the two major political parties. Although he did not capture one electoral vote, he forced the candidates to address the issues of the economy and deficit reduction. He also kept the candidates talking about the issues, and helped to minimize the amount of mud-slinging.

Bill Clinton won the election with 43% of the popular vote, as compared to George Bush's 38% and Ross Perot's 19%. One large part of Clinton's win was the number of 18 to 25 year olds who voted. MTV's Choose Or Lose specials helped to get young people involved in the political process.

Although most students at M.H.S. were not eligible to vote in the election, their participation in the mock election showed that they were interested in its outcome. Students also voted on ballot questions and for Senator and Representative.

Results of the mock election:

Bill Clinton	110
Ross Perot	96
George Bush	63
Nick Mavroules	136
Peter Torkildsen	116

Bob Buell	70
Bruce Tarr	137

The Uprising Club of MHS is a club that tries to improve the lives of others through letter-writing to free prisoners whose human rights have been violated, recycling, and raising money to support environmental and social causes. Not only do they meet weekly to discuss these topics, but they are continually involved in community activities, such as serving in soup kitchens and serving the elderly. It has been a very successful organization and is sure to continue its efforts for many years to come.

Art Club

The Art Club meets every Tuesday from 2:15 until 4:00 in the afternoon. Supervised by Yvonne Trabucco, anyone in the school can participate. The students make tie-dyes, use the potters wheel, or work on art projects for their art classes. Taking an art course is not, however, necessary to take part in the Art Club. As Fran Wetterlow said, "Art Club is a really fun opportunity for students to expand their art skills."

Believe It

It's In The Yearbook

Peer Education provides students with a great opportunity to interact with all the classes of MHS. It is a program which allows students to help other students. Junior Ana O'Beirne said, "I believe this system is more effective in solving more problems in a comfortable fashion." The Peer Educators conducted multiple assemblies with the entire school, focusing on the importance of respect. The Peer Education program is a continuing tradition at Manchester High and a clear demonstration of the power of "receiving a little help from your friends."

The high school student council at MHS consists of elected students from different grades who meet about once a week to plan for upcoming events. This year's student council has done an excellent job in accomplishing many successful festivities.

With the work of the senior high student council, the students of MHS were able to attend a successful Winter Semi Formal at the Parish Hall on Friday, December 18. The turnout was excellent and the kids enjoyed the efforts of the DJ, caterer, and the decorations committee.

Along with the dance, the student council worked to collect cans of food for the holidays. The food drive, run by Matthew Elliott and Brett Lentz, was also successful. Students and teachers from MHS brought in numerous canned goods to send to food pantries for the Christmas season. The food drive benefited the Cape Ann Food Pantry and over 300 pounds was collected.

Unfortunately, due to weather, the scheduled St. Citizens dinner planned for December 12 was canceled. The student council will look forward to having a future dinner next year along with many other events.

This year, the members of the Junior and Senior High School Chorus welcomed a new teacher, Ms. Susan Sepich. The Winter Concert was a great success with both choruses displaying their talents in a variety of different song styles. Ms. Sepich commented that she hopes to introduce new styles of music to chorus including madrigals and folk songs, while still focusing on contemporary music. Many of the chorus members are enthusiastic about the new chorus program, including sophomore Fran Wetterlow who stated "I didn't do chorus last year, but so far it's been really fun and I plan to say in it for as long as I'm in high school."

As in the past, this year's Thespian Society was a select breed. Fortunately, Theatre in Manchester High School is growing in popularity. Due to the small cast in December production of *A Farnsdale Christmas Carol*, not all of those who tried out could be given a part. With luck, those who have not been given parts in the past will not get discouraged and will continue to come and attempt to have the honor of gracing the Manchester stage in theatrical performances to come. As Michelle Gordon said, "It's a really good way to meet new people and have fun." Also, being in a play make giving those orals in Dr. Stuart's English class seem much easier!

The debate year kicked off with the annual researchathon at which twenty-four new debaters along with the varsity gathered at the school at 9 o'clock in the morning for twelve hours of research fun.

Debate has been a part of MHS's curriculum for twenty-two years, under the direction of Timothy C. Averill. When asked to comment on the success of the team, Mr. Averill replied, "You can't go fishing without debate."

Debate on the whole is summed up by debate team president, Meighan Cappello, who commented, "Debate is an activity unlike any other activity one can participate in during high school. It's a love/hate relationship."

DECA

It was a great year for DECA with almost everyone in the "family" qualifying for the state competition held in Falmouth. The DECA family had a wonderful time at the Sea Crest Hotel and 12 students went on to qualify for the National Competition in Anaheim, California. Staying at the Disneyland Hotel, Holly Park, Barak Sharpe, Adam Wogan, Nicole Ananian, Jocelyn Fritz, Ben Gannett, Anne Halgren, Sara Horne, Karen Kaczynski, Suzanne Laspesa, Kara Mirak, Sarah Nalley, and advisors Nancy Borsetti and Kathy Benoit had an incredible time. Although the competition was tough, Holly Park and Adam Wogan managed to place in the top 21 in the nation. We're hoping that 1993 will be even more successful!

Since its first publication in 1991, The Manchester Independent has become a powerful and occasionally controversial outlet for students to utilize their writing abilities and interest in journalism to cover and voice their opinions about issues of concern to the students of Manchester High. Advisor to the newspaper staff, Mr. Tim Averill, commented on the success of the paper stating, "I am proud that The Independent really is independent and that it is produced by the students. It's an awesome staff to work with."

Golf

Once again the MHS Golf Team was not a powerhouse in the Cape Ann League, winning only one match. But, Coach Congdon and the team had a lot of fun and plenty of laughs. Co-Captains Ben Gannett and Bill O'Donnell were keys to the team's eventual club throwing success.

The 1992 football season was a year to grow on for the relatively young and inexperienced players of the M.H.S. football team. A small amount of talent and general inexperience coupled with confrontations with fast, powerful teams accounted for the 1-8 record and supposed poor performance. The team poured gargantuan amounts of effort into the games, but most importantly gained experience for the 1993 season.

This year several members of the Basketball Cheerleading Squad are taking gymnastics to improve their skills and their chances to do well in Competition. Because of everyone's commitment, their coach, and choreographer the team is hoping to place at Competition. The entire squad is working hard and they are finally getting some of the recognition they deserve.

This year, the Girls Basketball team was led by coaches Tom Atwater and Gil Congdon. The girls have worked very hard and it has paid off. As Coach Atwater said "We started off the season extremely fast and extremely well, and played really well. By mid-season, the team had learned almost everything we wanted to teach them." Senior Jenni Campbell echoes Coach Atwater's feelings when she said, "Although our record wasn't too good, I think we improved a lot and began to play as a team." The most important aspect of Girls Basketball, Jenni feels, is that "We had a lot of fun. Everyone was very enthusiastic and looked forward to playing every game."

Second Row: Amanda Tracey, Lindsay Sones, Shelly Lengieza, Coach Herbert Schlegel, Tambry Mentus, Jamie Gates, Kara McDonough, Maura Logue

The Manchester Softball team finished the 1992 season with a 7-12 record. The team was probably the youngest in the history of the sport at Manchester and showed tremendous improvement as the season progressed. They won five of their last seven, losing only to North Reading and Lynnfield in very close contests. Both were tournament teams.

Baseball

Varsity: Bottom Row: Bill O'Donnell, Chad Harrington, Jeff Smith, Tom Salter, David O'Leary, Matt Dowal Top Row: Coach Ananian, Doug Clement, Matt Wallace, David Buckley, Dan Holden, Matt Carroll

Although the baseball team finished with a record of 1-17 in 1992 Coach Ananian is not discouraged. He commented "This was a very young team that promises to do better in the future." Likewise, team members are quite enthusiastic about last season and those to come. As Junior Matt Wallace said "It was fun even though we only had one win. Most of the other schools lost a lot of players, so we should be competitive next year."

The 1992 Girls' Tennis Team continued to demolish every opponent, including our loving friends, Alex and Mr. Stone, in Lynnfield. Their season led to a Cape Ann League Championship for the pre-states, undefeated team. The doubles team of Kate McLane and Sarah Purdy and the #1 singles star Johanna Sones (surprise!) were recognized as the Cape Ann League Champions in their respected positions. The girls' only loss was to Weston in the Division II North Semifinals of States. 1993 will certainly be another successful season since the Tennis Team has not lost one member, and the girls can do nothing but improve!

Boys Tennis

The MHS Boys Tennis Team had its most successful season in years, finishing 10-2 and qualifying for the State Tournament. Although the team lost in the first round of the tournament, the members of the team were extremely pleased with their play under first year coach Jeanne Snow. The boys look forward to continued success in 1993, for they return the same team, graduating no seniors in 1992.

1943-1993

Mrs. MacDonald passed away this March, and she will be sorely missed by those who knew her and worked with her during her 23 years teaching at MHS. She will be remembered as a professional educator, scholar, dear friend, mentor, and loving wife by those who knew her.

Thank you, we'll miss you

This year, Manchester will say goodbye to the encouragement, help, and kindness of Ms. Nancy Bachman. After 27 years of dedication to Manchester Jr./Sr. High School, Ms. Bachman will be retiring. Her selfless concern for all students will be missed. Fellow guidance counsellor and close friend, Richard Ananian, describes Ms. Bachman as a "beautiful, giving woman." He went on to discuss Ms. Bachman's ability to "help students in any way she could. She is able to see students' problems objectively, and work with them to come up with solutions to those problems. She is a wonderful friend, a very kind woman, and I will miss her." Manchester will surely miss Ms. Bachman's kind-hearted dedication to her students and faculty.

After 26 years of teaching at Manchester High, Mr. Harry Tozier leaves behind many memories of students and faculty members touched by his kind, generous ways and unusual sense of humor. Long-time colleague Mr. Dave Ryan had this to say of Mr. Tozier: "I always appreciated Harry's dry sense of humor and his observations on life. He truly loved his students and they remembered much that he taught them. Often, they would quote him. He and I took N.S.F. Science Courses together at Salem State College. He enjoyed learning as much he did teaching. He was always game for activities such as the Heron Pond exploration, that he felt would enhance his students' learning. I shall miss him." We shall all miss Mr. Harry Tozier's presence at Manchester High School.
